Advert Details

Blouberg Municipality invites qualified, suitable and experienced service providers to undertake the assessment and audit of two landfill sites as at 30 June 2018.

Scope of Work:

The Project should be undertaken in accordance with the guidelines laid down in the minimum requirements for waste disposal by landfill published by the Department of Water Affairs.

The Following should be taken into Consideration:

- Visit and assessment of the two landfill sites
- Assess permit compliance
- Document Reviews
- Provide an opinion on how Blouberg Local municipality monitors operations and maintains these sites, and recommendations made to improve this function.
- Calculate the provision for rehabilitation of the two landfill sites as at 30 June 2018 in terms of GRAP 19
- The design of the rehabilitation of the landfill sites and end use plan
- Accompanying the design must be a schedule of quantities and a financial cost estimate
- supply the disclosure information in terms of GRAP 19, and more specifically required in terms of paragraph 92 to 105, including the expected financial cost to rehabilitate at the end of useful life
- Compile consolidated report.

LANDFILL SITE ADVERT
