

MPAC HOLDS PUBLIC HEARING SESSION ON DRAFT 2021/22 ANNUAL REPORT

The Municipal Public Accounts Committee (MPAC) of the Blouberg Local Municipality today, 27 March 2023 met with the municipal leadership, management and community stakeholders in Senwabarwana for the hearing meeting on Draft 2021/22 Annual Report.

The Executive Committee led by the Mayor, Her Worship Cllr Maria Thamaga together with senior management were providing feedback and clarity to questions put to them by the committee regarding services rendered and capital projects implemented in the period under review.

The functions of the Committee (MPAC), chaired by Cllr Moloko Lazarus Maifo include ; promoting good governance, transparency, accountability and value for money and use of municipal resources amongst others.

The committee has been, through the month of March meeting with stakeholders including members of the public presenting the report and afford them the opportunity to have their say on it.

The hearings were in compliance with section 127(2) of the Municipal Finance Management Act, 56 of 2003 following the tabling of Draft Annual report earlier.

The Annual Report is an MFMA compliance that provides a general report on performance of the municipality in service delivery and budget implementation(SDBIP) of the financial year wherein the public hearings allow for public participation to promote accountability to the local community regarding the decisions made by the municipality and the projects implemented throughout the year and how their funds have been spent.
