

MANDELA DAY BUILD-UP ACTIVITIES AND LETSEMA CAMPAIGN

"Do what you can, with what you have, where you are"

As the theme for Nelson Mandela Month 2022 calls for all and sundry to take action and make a difference around them, the Blouberg Local Municipality heeded the call for action by launching the Mandela Day Build-Up activities and Letsema Campaign on July 13, 2022.

The Blouberg Local Municipality has joined the nation and the international community in commemorating Nelson Mandela month - honouring the iconic anti-apartheid campaigner and a global advocate for peace, dignity and equality.

Municipal official across all work stations dedicated one-and-half hour in community service by engaging in cleaning activities; litter picking at Desmond Park, Tolwe, Senwabarwana Ext 5, Senwabarwana cemetery, the Senwabarwana Driving License Testing Centre (DLTC) as well as cleaning of municipal offices.

A call is also made to members of the community to start initiatives, big or small to help make a difference in their areas emulating Nelson Mandela who devoted his life to the service of humanity.
