

Blouberg Municipality welcomes new waste compactor trucks

The rear loader garbage trucks will augment the the current municipal fleet to enhance service delivery in both Senwabarwana and Alldays towns. These trucks were procured as waste collection is mostly affected due to limited number of fleet. Her Worship Mayor Cllr Maria Thamaga indicated that backlog caused by unavailability of garbage truck when others are being serviced will be a thing of the past. She says residents can now expect expedite waste collection service.

"With the additional trucks, residents can expect more frequent and efficient waste collection, which is a win-win for the community"

The Municipality is taking steps to address waste collection challenges, and it's great to see the commitment to improving service delivery. Efficient waste collection is key to keeping communities clean and healthy.

Senwabarwana and Alldays towns will be spotless!
