In her address, Mayor highlighted the pivotal role that education plays in people's lives.

" Retlile fa go tlo keteka le lena kgwedi ya matswalo a Meyara wa lena le go hlohleletša barutwana ba grade 12 gore ba some gabotse . Re leboga ge hlogo ya sekolo le re amogetše. Ba re moeng e tla ka gae re je ka wena. The 23rd of August was my birthday, and I always celebrate it with our community.

Re leboga ge thuto ya rena e kaonafala ngwaga ka ngwaga. Dipelo tša marematlou di kaonafetse mo profenseng ka bophara. We no longer have 0 % pass rate schools. Last year your school obtained 74 % pass rate.Principal, what percentage are you promising us this year? I hope you will improve and even get 100%. It is possible through hard work and dedication" .

The Mayor indicated that the government made a steadfast commitment that education will enjoy top priority in advancing the current socio-economic status of the country.

She urged learners to acquire the knowledge, skills and values required to lead fulfilling lives and consequently become contributing members of the Blouberg economy and the country at large.

Re dira boipeletšo go lena barutwana go hlokomela thuto. Thuto ke yona setlabelo seo le ka se šomišago go ba le bokamoso bjo bokaone. Thuto ke yona e ka thušago go kaonafatša maemo a malapa a bo lena. Lehono menyetla a buletšwe batho ka moka go sa kgathalege bong. You can be a teacher, doctor, pilot, lawyer, engineer bjalo bjalo. Through education you can become whatever you want to be. Education is the key that opens any door.

Bjale ka ge meketeko ya kgwedi ya BoMme e fihla mafelelong, re re a re emiseng ka tlaišo ya BoMme le bana le tšhomišo ya diokobatši. Basadi le bana ba swanetše go sepela ba lokolofile mo setšhabeng.

Ke tšea sebaka se go lakaletša the Class of 2025 katlego ditlhabong tšeo di latelago. Ntshephišeng gore nka boya mo go tlo keteka le lena 100% pass".
