FOR IMMEDIATE RELEASE

Blouberg Local Municipality Scoop District Awards on HIV Programmes

“HIV / AIDS is a domestic problem that affect individuals, households institutions and the society in general”, this was a statement made by His Worship Mayor, Cllr. Maseka Pheedi when welcoming an awards from Capricorn District Municipality on Tuesday. The awards was to honour Blouberg Municipality in regard to is unending efforts to fight HIV/AIDS. The Municipality programmes has been regarded as outstanding and effective when being compared with the rest of the Municipalities within the District. Mayor Maseka Pheedi committed the Municipality to continue championing special programmes including HIV Programmes.

According to District AIDS Council, Blouberg Municipality has been in compliance with Limpopo Provincial AIDS Council Policy Framework since 2012. This include having being able to launch Local Aids Council, Wards AIDS Councils and also being able to meet targets in regards to all planned programmes. Some of activities being done by the Municipality include running Awareness Programmes in rural and farming areas.

Issued by Communications Division of Blouberg Local Municipality
