

## MAYOR LAUNCHES INTERNAL STREETS PROJECTS

Dust will soon be a thing of the past in gravel streets around Senwabarwana Township as internal streets and stormwater control projects are launched.

On July 16, 2022, Her Worship the Mayor of Blouberg Local Municipality, Cllr Maria Thamaga launched two internal streets and stormwater control project for the township.

During IDP/budget public consultative meetings community members requested that their dusty streets be attended to and the municipality is attending to the request.

The Mayor conducted a sod-turning ceremony marking the official commencement of the construction of Senwabarwana Phase 11 A and B internal streets and stormwater control projects to be implemented in Senwabarwana Ext 5 and Desmond Park respectively. The Mayor also introduced the contractors to the community.

Phase 11A (Ext 5) project has a total budget of R17,317,729,76 and will cover 2.81 kilometers of road with construction work expected to run for a duration of 7 months.

Phase 11B (Desmond Park) has been budgeted for R17, 067,552,50 to cover a total of 2.41 kilometers of road with a 7 months construction schedule.
