

MAYOR ADRESSES COUNCIL REGARDING PROGRESS ON DEVELOPMENT DURING SPECIAL COUNCIL MEETING

The Council of Blouberg Local Municipality led by its chairperson, the Speaker Cllr Blanco Boloka today had a Special Council sitting in Senwabarwana. The meeting was to deal with urgent reports for Council approval to ensure that service delivery is not hampered.

In addressing the Council on other issues of development within the municipality, the Mayor Her Worship Cllr Maria Thamaga updated the house on progress in respect of the proposed Senwabarwana mall project indicating the approval of the Erf 300 by Tribunal committee giving a green light to the construction of the new shopping mall . In addressing the poor conditions of roads, Mayor Thamaga highlighted that, the municipality is in a process of acquiring additional graders to add to the current fleet of old graders, construction of internal streets in Alldays being on the cards and further reported on the progress on Pinkie Sebotse Sport Complex, the completed new state-of-the-art Senwabarwana Sport Complex project which awaits the official opening and the completion of the installation of solar streets lights by De Beers Venetia Mine among other projects.
