THE MAYOR OF BLOUBERG LOCAL MUNICIPALITY, HER WORSHIP CLLR MARIA THAMAGA'S EASTER MESSAGE

Easter long weekend almost upon us, wherein the resurrection of Christ celebrated.

We all appreciate that Easter is normally a time when many of us travel to spend time with friends and family, however,

It is important that we focus on ways to keep ourselves, our families and those around us safe during this time.

Throughout the Easter break, I would urge all local residents to enjoy their time off while keeping a number of factors firmly in mind;

I urge motorists to respect the rules of the road, same with pedestrians, consider rules applied to you. But most of all stay safe.

While social distancing and continuous wearing of masks restrictions might seem unnecessary to some, it is essential that we all continue to adhere to these restrictions, remembering they are still in place to keep you, your family, friends and the wider community safe from the deadly COVID-19.

As a Council, we are hard at work delivering our commitments to you with the work continuing to complete 2021/22 financial year projects and ensure our facilities are accessible for all members of our community to enjoy.
