

Blouberg Local Municipality Occupational Health and Safety Policy statement.

Blouberg Local Municipality is committed to continues improvement towards service delivery within the Blouberg Local Municipality.

In rendering services, we aspire to move beyond regulatory compliance through an active process of identifying, managing and reducing Occupational Health and Safety Risks.

We will develop, implement and maintain management systems for sustainable development that drive continual improvement and ensure that we:

- Provide all employees with required personal protective clothing and equipment, information, instruction, training and supervision as is needed to implement the policy and achieve the stated objectives;
- Recognise and accept our duty to protect the health and safety of all visitors, contractors, employees and members of the public who are directly or indirectly affected by our operations.
- Meet and where possible, exceed applicable legal and other requirements;
- Utilise the best possible resources that are obtainable to meet all our Health and Safety targets;
- Identify and analyse all occupational Health and Safety risks relating to the various services we as an organisation conduct on a daily basis in order to effectively eliminate, mitigate or control the identified exposure on potential affected parties.

In implementing this policy we will engage with our employees, contractors, service providers and communities in providing a safe and healthy working environment.

We will reach successful when we achieve our pre-determined Occupational Health and safety targets and Management goals.
