

MEDIA STATEMENT

22 July 2020

FOR IMMEDIATE RELEASE

BLM HEAD OFFICE CLOSED FOR DECONTAMINATION, ESSENTIAL SERVICES TO BE ACCESSED AT THE NEW AND OLD TRAFFIC STATIONS.

The Blouberg Local Municipality main offices in Senwabarwana are closed for decontaminating process after a councillor tests positive for COVID-19. Essential services will be carried out at the municipality's old and new Traffic Stations.

In order to insure the safety of all officials, councillors and members of the community, the offices are closed until Thursday, 23 July 2020 to conduct the decontaminating process and cleaning as per prescription. Officials are working from home.

The Mayor , His worship Cllr Maseka Pheedi has wished the councilor a speedy recovery and urged people who displays any symptoms to submit themselves for testing in order for the appropriate steps to be taken and curb the spread of the virus.

Mayor Pheedi further called on members of the community to follow lockdown guidelines general measures of wearing facemasks everytime when in public spaces, wash hands or sanitise regularly , adhere to physical distancing and stay at home except to seek medical care, to do shopping, go to work, places of worship , education and exercise.
