FOR IMMEDIATE RELEASE

Marobjane Residents receive internal streets

The community of Marobjane/Avon were all in a jovial mood yesterday when Blouberg Local Municipality leadership handed over a constructed internal street. The internal street was part of Phase 3 project of converting the main gravel road entering Marobjane into a tar road.

Yesterday the jovial mood was extended when another leg of the project (Phase 4) was also officialised. This was during an official Sod turning and handover of a contractor. The new contractor was given a scope of to work on the challenges of Rain water drainage on the previously completed project.
