#### **FOR IMMEDIATE RELEASE**

#### **Mayor Christmas Festive Message**

This that time of the year, once again where families are traveling from different places to another, to spend time with their loved ones. Some of you will be going for holidays, some for family gathering and celebrations. We call upon all of you to take to take maximum precautions either when travelling or when you are enjoying your festive activities. This include proper spending. This year we have seen an increase in shocking road fatalities, which most of them were as a result of negligence and speed. We call upon our drivers to respect each other, practice and follow all road instructions.

As Blouberg Municipality we also want to remind you about our commitment to basic service delivery promises. We have committed ourselves to make sure that we change the lives of our people through service delivery. We are here citing services such as tarring of internal streets, management of gravel roads, building of pre-schools, electrifications of village extensions, facilitation of water and RDP housing projects and general support we give to our elders, youth, disabled and children. During this festive season, please make sure that facilities that are brought to you are taken care of.

Our traffic officials will increase visibility during this hectic time to also improve road safety within our Municipality, we call upon our motorists to respect them.

We wish you safe trips and glorious celebrations. Arrive Alive!

Have a pleasant festive season and prosperous 2019.

We wish you all, the best. Good luck.
