HANDOVER OF LAPTOPS AND SCHOOL BAGS TO MANOE HIGH SCHOOL

His Worship Mayor of Blouberg Municipality, Cllr. Maseka Pheedi in partnership with COO of Dynamic Recovery System will hand over 12 Laptops and School Bags at Manoe High School (Ga-Kobe). This is a plough back programme initiated by the Edwin Moremi, the COO of DRS. Edwin Moremi was the former learner at this school.

The programme is aimed at helping the school with ICT infrastructure which will enable learners to access learning materials within their school premises. The Laptops will be used by the learners and teachers to also improve their computer skills. This happens as BLM is concluding its back to school programme, which was aimed at congratulating schools which performed well during the previous academic calendar and to give encouragement to those of which did not perform well.
