MAYOR TO SWITCH-ON ELECTRIFICATION PROJECTS

Residents of Silvermyn(37) and Diepsloot (30) extensions will this week dump candles and paraffin lamps...This will be made possible on Wednesday (19/8/15) when the Mayor of Blouberg Municipality Cllr. Sammy Selamolela switches on their electrification projects. The residents will have joy of switching on electricity for the first time, thanks to Blouberg Municipality and ESKOM's focused programme to light out darkness everywhere it was unthinkable a few years ago. The two extensions will join the rest of their respective villages in enjoying the basic services that Blouberg Municipality has been dishing out at a pace untold. Blouberg Municipality holds a licence to electrify its households. 100% of the settlements have been electrified and the municipality is currently focusing on extensions.

VENUE: Diepsloot: 14h00, Silvermyn 16h00
